

ISST - International
Germany

Consensual Relationship Agreement

This Consensual Relationship Agreement is executed and entered on 11. 06. 2021,
at Bad Sobernheim, Germany and Sarajevo, Bosnia and Herzegovina (address of the **Organizer**)

BETWEEN

ISST-International, Germany, an institution located in Germany and founded by Axel Hennes, the international senior instructor of Schroth therapy according to Asklepios Katharina Schroth; represented also by the ISST-board members Nikola Jevtic, Sanja Schreiber, Deniz Aktan and Avis Leung.

AND

Faculty of Health Studies, University of Sarajevo, address: Stjepana Tomića 1, Sarajevo, Bosnia and Herzegovina, represented by the Dean, Associate Professor Arzija Pašalić (hereinafter named "Organizer")

ISST-International has the capacity to provide high professional educational training for physical therapists and physicians in the conservative treatment of scoliosis according to the Schroth method.

Whereas, the **Organizer** desires the services of ISST-International represented by ISST-Instructors for such educational services.

("Organizer", short description of the relevant business aspects related to scoliosis or professional education)

The parties have considered the ability and capability of each other and to further their goals the parties desire to enter into a strategic and mutually beneficial alliance upon the terms and subject to conditions contained herein:

1. Services

ISST-International agrees to deliver the following educational courses and sessions in the following capacity by a trained and certified **ISST-Instructor**:

Course Name: ISST Basic Course Part I, Part II, Refresher course and ISST Course for physicians

Course Date, Place, Capacity: Individual arranged courses

The **Organizer** is organizing, preparing and hosting the ISST-courses within its facilities. For a series of courses the Organizer and the ISST-Instructor will fix a specific contract regulating terms of payment, reimbursement, course materials, course requirements and general course conditions, according to the statutes of ISST-International.

The **Organizer** and **ISST-International** accept to link each other on official web page.

ISST-International, Germany

ISST - International
Germany

ISST-International accepts the **Organizer** as a particular partner and provides **exclusive rights** for the above mentioned services in the region/country of the **Organizer**.

The **Organizer** will take care of a professional promotion of **ISST-International** and offers a high quality in the course conditions for the course participants (enrollment, payment, accommodation) and also for the **ISST-instructors** (technical support, course equipment, accommodation).

2. Term of Agreement

The term of this Agreement shall be 1 (one) year and shall commence from the date of signing of this Agreement.

3. Nature of Relationship, Confidential information

Nothing herein contained shall be deemed to be a partnership or joint venture of any nature whatsoever by and between the two Parties. Further, **ISST-International** is an independent contractor and there is no principal-agent relationship between the Parties hereto.

Nothing contained in this **Agreement** shall give either party, any right, title or interest in respect of **Confidential Information** of the other party including all patents, names, designs, copyrights, etc., which will remain the sole and exclusive property of each party.

Both the parties hereby fully confirm and commit that it shall take all necessary precautions, measures and steps to fully protect the **Confidential Information** of **ISST-International**, from any unauthorized disclosure, misuse or infringement in any manner.

Non Compete

Either party hereby agrees that it shall not at any point cause to gain advantage by abusing intimate knowledge of the other party operations or to release sensitive information. The **Organizer** shall not enter into similar agreement or arrangement either directly or indirectly with any other Party regarding educational services for scoliosis treatment.
