

**PROTOCOL**  
**of the 14<sup>th</sup> Meeting of the Joint Committee for Scientific and Technological Co-operation**  
**between Bosnia and Herzegovina and the Republic of Slovenia**

In accordance with the Agreement on Scientific and Technological Cooperation between the Government of Bosnia and Herzegovina and the Government of the Republic of Slovenia, signed on 28 September 1995 and on the basis of the Agreement between the Council of Ministers of Bosnia and Herzegovina and the Government of the Republic of Slovenia on cooperation in culture, education and science, which was signed on 19 October 1999 in Ljubljana, the 14<sup>th</sup> session of the Joint Committee was held in November 2023 via electronic correspondence.

Institutions responsible for implementation of the cooperation program on scientific-research level in both countries are:

***In the Republic of Slovenia:***

**Ministry of Higher Education, Science and Innovation**

EU and International Cooperation Office

Department for International Cooperation and European Integration

Masarykova cesta 16, 1000 Ljubljana

The Joint Committee adopted the following agenda:

1. Review of project proposals of Bosnian and Herzegovinian and Slovenian research institutions for the period 2024 – 2025 and selection of projects
2. Financing of Selected Projects
3. Preparations of the Working programme for the next period
4. Closing provisions

***1. Review of joint B&H – Slovenian project proposals 2024 – 2025 and selection of projects***

The Slovenian side received 85 projects proposals while the Bosnian and Herzegovinian side received 86 proposals for joint research projects.

The project proposals were peer reviewed by both sides. 1 project proposal was submitted only to the Slovenian side and 2 project proposals were rejected for eligibility reasons and was eliminated from further procedure. 2 project proposal was submitted only to the Bosnia and Herzegovina side and 7 projects were rejected by the Bosnia and Herzegovina side for eligibility reasons. 76 project proposals were thus considered for co-funding.

Based on the results of the evaluation of project proposals the Joint Committee came to an agreement that 53 projects listed in Annex I, which is an integral part of this Protocol, would be jointly funded in the period from 1 January 2024 to 31 December 2025.

***2. Financial support for the approved projects***

The implementing institutions in charge of cooperation in science and technology between the two countries shall administer the exchange of scientists, i.e. travel and accommodation costs in accordance with the following mutually agreed provisions:

The receiving Party shall bear the costs of accommodation (in accordance with the applicable regulations) as well as the travel costs on its territory that are necessary for the implementation of the project.

The sending Party shall bear the cost of per diems and international transport between the headquarters of the cooperating institutions.

The Slovenian side will finance the costs of international transport for young researchers from Bosnia and Herzegovina, for longer visits to the Republic of Slovenia (1-3 months), in addition to accommodation and per diems, in the most economical way, taking into account the price and time spent.

Both sides will finance selected projects up to the amounts specified in Annex 1.

The selected projects will be funded in accordance with the financial capabilities of the entity ministries responsible for science.

### ***3. Preparations of the Working Program for the next period.***

3.1. The Joint Committee agreed to publish the next call for proposals not later than spring 2025 with the deadline for submission of project proposals not later than summer 2025. The selection of projects will be made by the Joint Committee in the autumn of 2025. The projects approved by the Joint Committee will start on 1 January 2026.

3.2. At the next call for proposals priority will be given to the new research teams, those who have not been funded in the previous cycle (2024 – 2025).

3.3. The priority fields of cooperation will be agreed by the parties through correspondence and will be based on the national priorities in the field of science and technology.

3.4. The parties agreed to encourage the cooperation early career researchers.

3.5. The parties agreed that the aim of the projects is to intensify cooperation among researchers in Horizon Europe.

### ***4. Closing provisions***

4.1. The provisions stated in the document are valid from the day of signing and are valid until the signing of the next protocol.

4.2. The 15<sup>th</sup> Meeting of the Joint Committee on Scientific and Technological Co-operation will be held in Bosnia and Herzegovina in October 2025. The exact date of the meeting will be fixed by correspondence.

Signed by correspondence in November 2023 in two copies in English language.

  
For Bosnia and Herzegovina:

Sarajevo, 07/12/2023

  
For Slovenia:

Ljubljana, 20. 11. 2023

## Slovenia - Bosnia and Herzegovina - List of Approved Projects (2024-2025)

No.	Name and surname of responsible researcher in SI	Name of organization SI	Name and surname of responsible researcher in BH	Name of organization BIH	Title of Project	Amount for 2024 from SLO and BIH	Amount for a young researcher from BIH in 2024, covered by SLO	Amount for 2025 from SLO and BIH	Amount for a young researcher from BIH in 2025, covered by SLO
